

Exercising & Networking = Chamber's New Golf League

The Chamber has been able to reserve Wednesday evenings at the newly acquired Park District Legacy Golf Course for the first time the Chamber will offer a Business League. Some great changes are happening at the local course. If we can get 72 players we will be able to have a shotgun off the back nine, giving us that extra opportunity to network in the club house.

- 2 Member Teams
- First meeting on April 14th at 5:30 pm (Legacy Clubhouse) to determine format of the League
- Exciting Weekly Contest
- League will start on Wednesday, April 28th
- Competition among some of our businessmen and professionals

I am interested in being on the Golf League
