

## Nominations for the 2017

### **Shine the Light Awards**

in Three Categories

Individual - Organization - Business

Each of these individuals, organizations, and businesses are Shining the Light on the many positives things in our communities. To each of these nominees we say thank you for everything you do and give to make our community better for all.

Each of these 14 entities will be recognized at the Chamber's Annual Meeting on Thursday, October 26 at the Gateway Convention Center in Collinsville. However, the one nominee from each category that receives the most votes will be honored at that event. It is now your turn to vote. I have attached a ballot. Everyone can vote three times, one vote for each category OR all three of your votes for one nominee.
